

INVATE

A collage of images related to esports. It includes several photos of esports players wearing headsets and competing. There are also images of large esports tournaments with bright stage lights and large audiences. Two news articles are visible: one titled 'Invate masters power of esports' and another titled 'PASSION CREATIVITY & INVENTIVENESS STUDIO INVATE transforms esports'. The collage is set against a dark background with blue and purple light effects.

We are particularly passionate about gaming, playing all genres of games, and each of us has several years of experience in this industry locally and internationally. We do hope to be a part of the driving force that transforms this “game” industry into “eSports” where audience watches game tournaments with the same level of excitement seen in sports tournaments. With our equipment and special knowhows, our project will make our dream come true.

FROM PASSION TO PRODUCTIVITY MAKE THE BEST EXPERIENCE

Hi Mi &Robert,

Thanks again for your help on OWWC, it was definitely the best event I have ever been.
Without your careful plan and hard work, it can never be as smooth as we had experienced.
Players showed very positive feedbacks as well as our management team from Europe & America, really appreciated!

@miiii @สอง-ดอก 🌹🌹🌹
you guys are very professional in both attitudes and event handling, and had patient to endure hundreds of emails and calls from us. 😊 Those activities couldn't be so good without your efforts. Beyond the execution, the most important thing is that we are happy to work with you and your team.

Thank you for the great support ~~~~ and please don't cry.

Thank you so much everyone! We are heading back to Taiwan soon. Just want to let you know how I appreciate your dedication! Great job! Great team work! We will see you all soon!
